

Care Redesign

Contextual Measures

Final Version 1.0, 3/30/2020

DEMOGRAPHICS

- 1. Please select the role that best describes you.
 - Clinical Provider (e.g., MD, RN, NP) using the *HU Toolbox* app
 - Clinic or Hospital Administration
 - □ Other: _____

PART I: INNER SETTING MEASURES FROM CFIR

This questionnaire consists of scales that measure constructs within the *Inner Setting* domain of the Consolidated Framework for Implementation Research (CFIR). Please indicate your level of agreement for each item.

Cul	ture	Strongly Disagree	Disagree	Neither Agree nor Disagree	Agree	Strongly Agree
1.	People at all levels openly talk about what is and what isn't working					σ
2.	Most people in this clinic or hospital are willing to change how they do things in response to feedback from others					
3.	It is hard to get things to change in our clinic or hospital					
4.	I can rely on the other people in this clinic or hospital to do their jobs well					
5.	Most of the people who work in our clinic or hospital seem to enjoy their work					
6.	Difficult problems are solved through face-to-face discussions					
7.	We regularly take time to reflect on how we do things					
8.	After trying something new, we take time to think about how it worked					
9.	People in this clinic or hospital operate as a real team					

Cul	ture Effort	Strongly Disagree	Disagree	Neither Agree nor Disagree	Agree	Strongly Agree
1.	People in this clinic or hospital always want to preform to the best of their abilities					
2.	People are enthusiastic about their work					
3.	People in our clinic or hospital get by with doing as little as possible					
4.	People are prepared to make a special effort to do a good job					
5.	People in this clinic or hospital do no put more effort into their work than they have to					

Imp	Implementation Climate		Disagree	Neither Agree nor Disagree	Agree	Strongly Agree
1.	Clinic or hospital staff are expected to help the <i>HU Toolbox</i> app meet its goal (i.e., improve provider hydroxyurea awareness, prescribing and monitoring behaviors)					
2.	Clinic or hospital staff gets the support they need to implement the <i>HU Toolbox</i> app					
3.	Clinic or hospital staff gets recognition for implementing the <i>HU Toolbox</i> app					

Lea	dership Engagement	Strongly Disagree	Disagree	Neither Agree nor Disagree	Agree	Strongly Agree
1.	The clinic or hospital leadership makes sure that we have the time and space necessary to discuss changes to improve care					
2.	Leadership in this clinic or hospital creates an environment where things can be accomplished					
3.	Clinic or hospital leadership promotes an environment that is an enjoyable place to work					
4.	Leadership strongly supports clinic or hospital change efforts					

Ava	ilable Resources	Strongly Disagree	Disagree	Neither Agree nor Disagree	Agree	Strongly Agree
1.	The following are available to make the <i>HU Toolbox</i> app work in our clinic or hospital: equipment and materials					
2.	The following are available to make the <i>HU Toolbox</i> app work in our clinic or hospital: patient awareness/needs					
3.	The following are available to make the <i>HU Toolbox</i> app work in our clinic or hospital: provider buy-in					
4.	The following are available to make the <i>HU Toolbox</i> app work in our clinic or hospital: intervention team					

PART II: INNOVATION-SPECIFIC CAPACITY

This set of items asks about the knowledge and skills needed to implement the HU Toolbox app.

	ovation-Specific Knowledge d Skills	Strongly Disagree	Disagree	Slightly Disagree	Neither Agree nor Disagree	Slightly Agree	Agree	Strongly Agree
1.	We are able to adopt the <i>HU Toolbox</i> app.							
2.	The HU Toolbox app gives us tools to improve provider hydroxyurea awareness, prescribing and monitoring behaviors.	٦					٦	
3.	The HU Toolbox app gives us the knowledge we need to improve provider hydroxyurea awareness, prescribing and monitoring behaviors.	٦	٦			٦	٦	٦
4.	We have the concrete skills to adopt the <i>HU Toolbox</i> app.							

Pro	gram Champion	Strongly Disagree	Disagree	Slightly Disagree	Neither Agree nor Disagree	Slightly Agree	Agree	Strongly Agree
1.	An influential person in our clinic or hospital strongly promotes our use of the <i>HU Toolbox</i> app.					٦		
2.	At least one person we work with communicates clearly the needs and benefits of the <i>HU Toolbox</i> app.	٦	٦	٦		٦		

PART III: MOTIVATION

Finally, this set of items ask about your beliefs and perceptions of the HU Toolbox app.

Rel	ative Advantage	Strongly Disagree	Disagree	Slightly Disagree	Neither Agree nor Disagree	Slightly Agree	Agree	Strongly Agree
1.	The <i>HU Toolbox</i> app is better than other resources we have used before in our clinic or hospital.							
2.	The HU Toolbox app is better than other resources we have considered using in our clinic or hospital.	٦	٦	٦		٦	٦	
3.	The HU Toolbox app represents an advance over other resources that are already available for our clinic or hospital.							

Cor	npatibility/Alignment	Strongly Disagree	Disagree	Slightly Disagree	Neither Agree nor Disagree	Slightly Agree	Agree	Strongly Agree
1.	The <i>HU Toolbox</i> app fits well with other improvement initiatives in our clinic or hospital.						٦	
2.	The <i>HU Toolbox</i> app help us meet the needs of our patients.							
3.	The <i>HU Toolbox</i> app is timely given the current needs of our patients.							
4.	The <i>HU Toolbox</i> app fits well with the culture and values of our clinic or hospital.							

Cor	nplexity	Strongly Disagree	Disagree	Slightly Disagree	Neither Agree nor Disagree	Slightly Agree	Agree	Strongly Agree
1.	The <i>HU Toolbox</i> app is simple and easy to implement.							
2.	There are so many different parts involved in the <i>HU Toolbox</i> app that are hard to understand.		٦					٦
3.	It's difficult to use the HU Toolbox because it is complicated.							

Tria	alability	Strongly Disagree	Disagree	Slightly Disagree	Neither Agree nor Disagree	Slightly Agree	Agree	Strongly Agree
1.	If we try out the HU Toolbox app is and things don't go well, we can go back to the way we used to do things.							
2.	We regularly set small goals to help keep our momentum going.							

Pric	prity	Strongly Disagree	Disagree	Slightly Disagree	Neither Agree nor Disagree	Slightly Agree	Agree	Strongly Agree
1.	Using the <i>HU Toolbox</i> app is one of the top three priorities of our clinic or hospital.						٦	
2.	Our clinic or hospital emphasizes that the HU <i>Toolbox</i> app is very important to improve our patients' health.	٦					٦	
3.	We are aware of how important using the <i>HU</i> <i>Toolbox</i> app is for improving our clinic or hospital right now.
